

Thanks to Elaine's input and guidance...

“I remembered that generating ideas is so much fun with collaboration.”

“I re-discovered how great it is to have an open mind.”

“I now have ideas of how to work better with my senior team.”

“I am not going to undersell my skills and abilities anymore!”

“I've started approaching the job market in a different way and thinking differently about my career path.”

“I'm looking into different markets for employment to broaden opportunities.”

“I'm developing my career ideas in a more structured way to consider challenges, gaps, needs and trends.”
